**ACKNOWLEDGMENT FAX SHEET OF RECEIPT OF
DEFECT INFORMATION REPORT SUBMITTED UNDER 49 CFR PART 573**

Assigned Recall No. 03C-010 by the
National Highway Traffic Safety Administration

Part 573 Report Date: November 5, 2003

MANUFACTURER CONTACT: Mr. Terry Emerson **FAX:** 812-372-0977

MANUFACTURER: Dorel Juvenile Group (Cosco)

SUBJECT: 27,800 High Rise child restraints, Model Numbers 22-297-WAL, 22-298-STM, 22-299-NAN, and 93-299-FSM, manufactured between October 1 and October 31, 2003. With an affixed label on the seat, DJG intended to recommend that the forward-facing mode should be used for children "over 1 year of age." However, the label was misprinted to recommend that the forward-facing mode be use for children "under 1 year of age." If the consumer were to follow the erroneous instructions, the seat may not adequately restrain the child in the event of a vehicle crash, possibly resulting in injuries to the child.

NOTIFICATION TO PURCHASERS

It is our understanding that DJG will mail corrected labels to the consumers. A draft owner notification letter must be provided to this office for review prior to mailing.
